

2e

twice exceptional

a film by thomas ropelewski

2e: Twice Exceptional follows the personal journeys of a unique group of high school students identified as “twice exceptional” – gifted or highly gifted individuals with learning disabilities or differences. They are geniuses, mavericks and dreamers. Among them may be the next Einstein, Mozart or Steve Jobs...if they can survive the American school system and their own eccentricities.

Winner of the Richmond Int’l Film Festival “Best Documentary Feature” and Silver Springs Int’l Film Festival “Audience Choice Best Feature”
